Sunday, October 12

Schedule of Events

Sunday October 12: *Sittin' Green Together* - Deep Fork NWR Habitat Improvement & Big Sit In conjunction with the Friends of the Deep Fork NWR we will be planting native wildlife friendly plants, doing trail maintenance, nature walks, and participating in the Big Sit bird count. Please join us for any part of the day, or all day!

5:30 A.M. to 5:30 P.M. - The Big Sit

The Big Sit is a bird count conducted entirely from a circle of about 17' in diameter. Birders sit in it all day and record everything that they see and hear. Teams will rotate in and out of the Big Sit circle. It will be down at the Cussetah Bottoms area where the Deep Fork boardwalk is located.

1:00 P.M. and 3:00 P.M. - Nature Walks

Guided walks in the Cussetah Bottoms area to find birds, butterflies and dragonflies.

3:30 P.M. - 5:30 P.M. - Planting Wildlife Friendly Plants, Trail Work and Invasive Plant Removal

Volunteers will be planting wildlife friendly plants, cleaning up the trails and removing invasive plants (with loppers, not chain saws!) Bring a shovel and gloves if you have them.

5:30 P.M. - 7:00 P.M. - Supper provided by the Friends of Deep Fork

Relax after a productive day on the refuge!

Directions to the Boardwalk: Take highway 75 south from Okmulgee about 6 miles. Immediately after crossing Montezuma Creek, turn east (left) on Cedar Road. Travel 1 1/2 miles to 250 Road, turn left. Go 1/4 mile to the parking lot on your right.

All volunteers will receive a Together Green/TAS Tee Shirt. Supper provided by the Deep Fork Friends

"Treat the earth well: it was not given to you by your parents, it was loaned to you by your children. We do not inherit the Earth from our Ancestors, we borrow it from our children."

Native American proverb
