9:00 A.M-1:00 P.M
Habitat Improvement Project**

**Free TogetherGreen tee shirts and lunch
for all who volunteer!**

Take a nature break from all of the hustle and bustle of holiday shopping and come out to the Mary K. Oxley Nature Center to help cut out invasive, non-native plants that choke out the “good” plants that are native to Oklahoma. Anyone who can operate pruning shears will be able to help. So, bring your gardening gloves and let’s get busy!

This is a great opportunity for

- Scout Troops
- Active Seniors
- Gardeners
- Nature Lovers
- Active Families

Oxley Nature Center is located in the Mohawk Park complex, 5701 E. 36th St. North, Tulsa
